TO: THE FORT WAYNE CITY PLAN COMMISSION

Comes now your petitioner, the Reorganized Church of
Jesus Christ of Latter Day Saints, by its counsel, Peters & Terrill,
and respectfully shows the Commission the following:

1. That the Street hereinvolved, namely, Roberts Street,
and the one-half (1/2) of an unnamed street adjoining thereto, are
located in Perry's Suburban Addition to the City of Fort Wayne;
and said Street runs between and divides Lots Eight (8), Nine (9)
and Ten (10) of said Addition on the West side and Lots Six (6) and
Seven (7) of said Addition on the East side, with the one-half (1/2)
of said unnamed street running along and adjacent to the northern
property line of Lot Number Seven (7) of said Addition into Hobson

Road in Fort Wayne, Indiana.

2. That attached hereto and marked Exhibit "A" is a partial Plat of Perry's Suburban Addition to the City of Fort Wayne; and attached hereto and marked Exhibit "B" is a copy of a Certificate of Survey pertaining to the subject real estate.

3. That your petitioners are the owners of Lots Six, Seven, Eight, Nine and Ten in Perry's Suburban Addition to the City of Fort Wayne; and thus, are the primary land owners abutting the real estate proposed to be vacated in this Petition, the remaining abutting land owners being those individuals owning real estate in New Kirkwood Park, Section "H", whose property does not have access to nor is it intended to have access to the real estate which petitioners would seek to be vacated.

4. That said Roberts Street and said one-half of an unnamed street are currently totally unimproved and not being employed for vehicular traffic; and that Lots Six, Seven, Eight, Nine and Ten of Perry's Suburban Addition are also unimproved, the whole of said area being an open field area.

5. That your petitioners would propose to use the real estate they now own together with the real estate that is proposed to be vacated for the construction of church buildings and recreational facilities for the use and benefit of their congregation and members of the local community; and said proposed use of the subject real estate would greatly enhance the aesthetics of the community and the efficient use of its now unimproved real estate.

6. That there is currently a fifteen (15) foot utility easement located on and along the center line of Lots Six and Seven in Perry's Suburban Addition, which easement traverses across said one-half of an unnamed street; and your petitioners stipulate their recognition of said utility easement rights and have no intention whatsoever of disturbing same.

7. That your petitioners are mindful of the necessity of avoiding any contribution to congestion or interruption of the traffic flow currently maintained on Hobson Road in Fort Wayne, Indiana, and would accordingly propose that their intended use of the one-half of the unnamed street which joins said Hobson Road would be as an entry driveway only, with all exits from their facility being made on the remaining portion of Roberts Street, a street artery readily capable of accommodating said traffic flow.

8. That, to the knowledge of your petitioners, no other person, firm or corporation has any interest in the vacation here-proposed; and your petitioners have already been in communication with various city engineering departments which have expressed no serious objection to the proposed vacation or the plans your petitioners have presented for improvement of the subject real estate.

9. That the areas proposed to be vacated are not necessary as ingress or egress to any other property whatsoever; that maintenance of said street and said one-half of an unnamed street is not necessary or advantageous to the growth of the City of Fort Wayne; and that it would be in the best interest of the City of Fort Wayne, the citizens thereof, and the local community that said

proposed area be vacated pursuant to this Petition.

10. That your petitioners file this Petition pursuant to the authority granted in Burns Indiana Statutes Annotated, Section 53-744, in order to complete the vacation as above described.

WHEREFORE, your petitioners pray that the Fort Wayne Plan Commission make a finding, and resolve and order that the above described portion of Roberts Street and that certain one-half of an unnamed street be vacated according to provisions of the Indiana law pertaining thereto, and that all further just and proper acts and conduct be performed in order that said real estate be vacated.
